

MGOCSM Mission Trip 2010

As you may have heard, the 2010 MGOCSM Missions have decided to conduct 2 trips this summer. The first trip will be to the **St. George Balikagram in Pune, India from May 30 to June 12, 2010** and the second trip will be to the **Dear Neighbor Ministries in Wichita, KS from August 8 to August 15, 2010**.

This would be a great opportunity for you guys and this will look great on any resume. I had the opportunity to attend the Mission Trip last year to Dear Neighbor Ministries in Wichita and i had a BLAST! Check my facebook photos when you're free and see if you are interested in going there. It will be much cheaper too because you guys wont have to pay for a plane ticket like everyone else who will be coming from all over the nation. You just catch a free ride pretty much, and just pay for room and board. So woo hoo! =D

Also, just like last year, the people going on the Wichita trip will be coming through Oklahoma. So they will come to OKC on August 7th and we will need to arrange accommodation for them. About 10-12 people should be in attendance. If you want to take in about 1-2 people in your home for a that night, let me know so I can make get a list going of where people can stay. I will keep you guys updated on that when we approach August and we can take them out to dinner and maybe go bowling, play volleyball or something. Then on Sunday, we will have Bible Study after Qurbana with everyone-- so come prepared! You all have notice 4 months in advance, so keep that weekend free if you are in town.

If you are interested in going on one of the Missions trips this year, contact me via email, facebook, or phone. I will email you an application. **The deadline is April 17th, so you only have until next week!! Let me know ASAP)**
